Respected Yogiji

Pranam

It is learnt that four nuns belonging to the Sacred Heart Congregation of Delhi Province who were on their way to Odisha from Delhi on train had to face some harrowing time due to the action of some overzealous individuals and police. Although they were bonafide religious people, as they were not indulging in any proselytizing activity, they had to alight at Jhansi for questioning by the police.

May I request your good offices to kindly order an inquiry and punish those who are responsible for such harassment of nuns.

Thanking you

Yours truly
